HOMEBASE.LOVE

Decentralizing Base

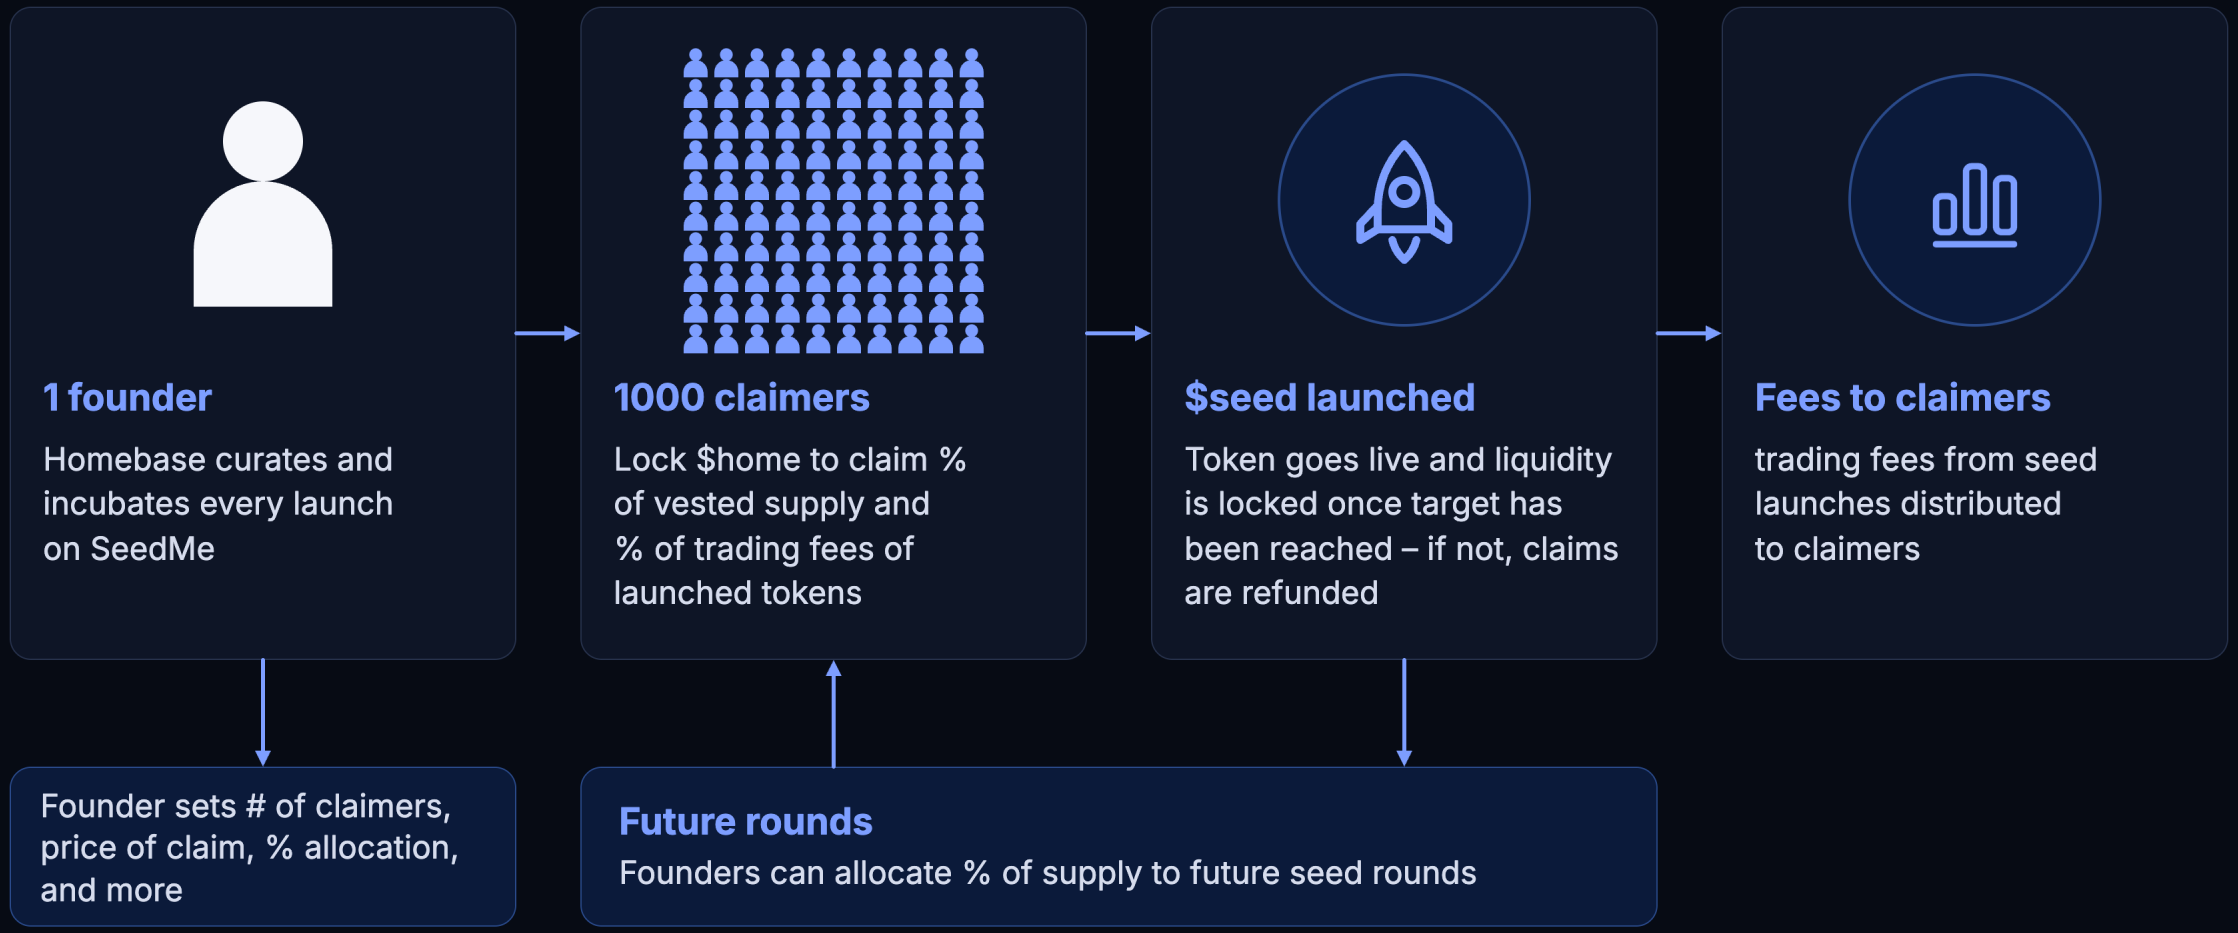

Jesse Pollak, the founder of Base, came to Based House to meet the residents and discuss how we can build an economy that works for everybody

Building a sustainable ecosystem

How a SeedMe launch works

Why buy, lock and relock $home?

Buy $home

Support

100% of creator fees fund Based House

Invest

A stake in the Base ecosystem

Participate

Use SeedMe

Lock $home

Support

Takes supply out of circulation, showing conviction in Homebase and the work produced at Based House

Participate

Claim SeedMe launches

Relock $home

Support

Keeps supply out of circulation

Participate

Continue claiming SeedMe launches

Rewards

10% of the $home supply is allocated to wallets that relock

SeedMe launches capture value created at Based House → **Need to lock $home to claim on SeedMe** → **Locking brings volume which generates fees** → **Fees fund residencies** → **Residencies bring more attention to $home and more talent to SeedMe**

Welcome homies

1. Join the Telegram
2. buy & lock $home
3. Prepare to claim $seed
